

ATRIUM ON MAIN LIMITED

281 – 289 ONEHUNGA MALL

To Whom it may concern,

We have in the past experienced a number of issues from our previous cleaners. Since the change to Cleancorp we have had nothing but compliments on the cleaning provided by our cleaners. Cleancorp are very efficient with communication and are quick to resolve any issues that may arise. All expectations that were given prior to accepting the contract have been met and regular inspections have been made. I have no hesitation in recommending Cleancorp to other prospective clients.
