Dear Josh

Re: Cleaning Contract with SMC Pneumatics (NZ) Ltd

We have recently taken on Clean Corp after having the same cleaners for well over 6 years. I am happy to report that we are very pleased with the service and quality of their work to date.

Right from the very beginning when I was first approached, (a phone call just out of the blue), I was very impressed with the efficient and professional service offered. It is great to have an Operations Manager report back to me on a monthly basis and conduct a performance inspection of our building.

We are looking forward to a continued relationship with Clean Corp – as long as the excellent service we get from our cleaners is continued.

I would have no hesitation in recommending Clean Corp to anyone who expects honesty and efficiency from a cleaning company these days.

Yours sincerely
SMC Pneumatics (N.Z.) Ltd
