Reference for Cleancorp commercial cleaning company.

Cleancorp has been cleaning our fitness club area since April 2008

A year later we are happy with the standard of cleaning and communication with the staff over all.

When we are not happy with any areas this is corrected quickly and is taken seriously by management and I am confident that it will improve where needed.

I would recommend Cleancorp as a reliable cleaning company.

Yours Sincerely

Rachel Jones
Fitness Business manager of the North Shore Y-fitness Club
