## TO WHOM IT MAY CONCERN

This serves as a reference for Sohan Enterprises (Cleancorp Cleaners).

We commissioned Sohan Enterprises to clean our office and factory at the beginning of 2007. Initially the factory (downstairs office and ablution block) was in a disgraceful state. After the first weekend of what I can only imagine as an extreme clean, the factory looked as good as new!

During 2006, the upstairs office block and kitchen underwent a 'new look' transformation, and this also was attacked with gusto. We couldn't believe that it was the same kitchen.

Each week the skirting and window sills are wiped and/or dusted, in addition to the general cleaning of the offices, kitchens, toilets and factory. I can only offer the highest recommendation to Sohan Enterprises for their friendly, but professional service. I would not hesitate at all in recommending them to any other business or school.

Should you have any further questions, please do not hesitate to call me on (021) 1372079.

Yours faithfully

Carol Taylor  
Office Manager
