To Whom It May Concern:

We have been using Cleancorp to clean our premises for the last six months, they have maintained a standard that we are very pleased with.

The systems that Cleancorp have in place, i.e. the support team who monitor the staff and the book system for jotting down any areas needing special attention all help things flow smoothly.

I would recommend this Company as the procedures they have in place make them a far more efficient cleaning agent than any previous Companies we have used in the past.

Yours faithfully
