To Whom It May Concern,

Re: **CLEANCORP**

Our school has had Cleancorp cleaning our school since August 2009. We are extremely happy with Cleancorp as they are very professional and their Franchisees are very efficient, punctual and their work is of a high standard.

If at any time we do have any problems these are discussed with the Franchisee and the problem is quickly rectified.

Please do not hesitate to contact us if you require any further information.

Kind regards,
