To whom it may concern,

I would be happy to recommend the services of Cleancorp to other Mitre 10 stores. Cleancorp has been cleaning our business here at Mitre 10 MEGA Albany for the past 16 months. The work they do here is of a high standard. If I have had any concerns regarding their work they are approachable and more than willing to rectify any issues that may have arisen.

I find their Operations Manager extremely good to deal with, he has regular store visits to oversee the teams work and ensures the quality of the work they are carrying out meets a high standard.

Regards

Fiona Pipes
