Salutations

To whom it may concern,

We have contracted Cleancorp to clean both internal and external areas of our site since July 2008.

The quality of service provided by the franchisee has been consistently high during this time and this is reinforced by regular inspections conducted by the Operations Manager and the franchisee.

In addition, the capability to direct any concerns to the franchisee through the notepad system works well and there has always been a prompt written response.

I would therefore recommend Cleancorp and the franchisee who undertakes our cleaning to any prospective customer.

If you have any questions or want further information regarding the above please contact me.

Regards,

**John Finlay**
