To whom it may concern,

Our early childhood centre is currently been cleaned by clean corp. I would just like to say that since our new cleaners have taken over our centre has never looked so clean on a daily basis.

Our children are not the tidiest of children, but I am really impressed with the way our cleaners pay attention to detail. Little marks on the walls are gone the next day. Behind the toilets are given a good clean each day. And something that we have never had in a cleaner is that they pick up things off the floor and also move furniture to get behind things.

This is fantastic and we really appreciate the time and effort you put into this centre as for us that work here and our children and families it is our second home and it's great that it is respected in that way.

So thank you very much and keep up the great work.

Yours sincerely
