28th July 2010

The Auckland Gas Company
T/A Nova Energy
44 Khyber Pass Road
Auckland

To Whom It May Concern:

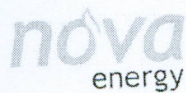

This is to verify that we currently use the services of Cleancorp for our office space cleaning. Cleancorp have provided a professional and effective service which we are happy to continue with. Cleancorp have been very approachable and have adapted to our changing needs as the size of the company has grown somewhat.

Thank you
