To Whom It May Concern

Cleancorp have been cleaning for Toddlers Turf Childcare Centre since September 2008 and we have been very happy with their service.

The team who are at Toddlers Turf are always accommodating and high standards are meet. We have regular visits from a representative who double checks that the organisations standards are meet and that we as the customer are also happy.

We often get competitive organisations coming in to try and gain our business and often they say that they can do better until they look around and even they confirm that our cleaning organisation is obviously doing a good job.

In this very competitive market, I believe that Cleancorp offer a great service, great staff and good value for money.

If you have any questions or would like further information, please do not hesitate to contact me.

Kind regards

Sharon Brodie  
CEO
